

What is “WINGS”?

“**WINGS**” -Women in God’s Service- is the acronym given to the ministries of the women at the Smyrna Church of Christ. **WINGS** is broken down into three subcommittees of different activities. For every woman at Smyrna church of Christ, there are many opportunities to serve God! Let us encourage you to take part in any of these spiritual ministries by contacting the chairwoman listed below or, check the **WINGS** bulletin board located in the church foyer across from the Nursery for more information. Also, check out the monthly calendar of events on the **WINGS** bulletin board or check out our website at www.smyrnachurchofchrist.org for latest updates. 01/11
